

AICTE IDEA Lab
Guru Gobind Singh Indraprastha University
Sector-16C, Dwarka, New Delhi – 110 078

Date: 6th January '23

Invitation for participation in "Curriculum Development Workshop"
for AICTE IDEA Lab

Happy New Year 2023!

The Guru Gobind Singh Indraprastha University (GGSIPU) is establishing AICTE IDEA lab at the University campus in Dwarka. A project has been sanctioned by AICTE for the purpose and the University has started the process of establishing the lab under the umbrella of the same.

AICTE has planned to impart training to the students of Under Graduate programme in line with NEP objectives.

The GGSIPU would like to contribute for the same and in doing so, it is decided to organise One-day "Curriculum Development Workshop" on **17th January 2023 (Tuesday)** at University's Dwarka Campus.

The following course modules are proposed for development, to be imparted to B.Tech. Students of the University as a Short term Training, Summer Training and as an Open Elective (4 credit course) :

- One week Short Term Training Programme;
- Two Week Training program with project work;
- Four-Six Week Training programme with project work; and
- One semester course as an Open Elective.

Eminent Speakers from the University and AICTE shall highlight the objective of the AICTE IDEA lab during the workshop.

Interested faculty of university may submit their willingness to participate in workshop and development of the course module at ipu-idealab@ipu.ac.in by 10th January 2023 (Tuesday).

There is no registration fees for participation in the workshop. A certificate shall be issued by the University for participation.

(Prof. Amit Prakash Singh)
