About Company -

Physics Wallah is one of India's Most Loved education platforms founded by Mr. Alakh Pandey. What started as a YouTube channel in 2014 is now India's 101st Unicorn. Alakh Pandey's unique and enthusiastic style of teaching for academic excellence has been an inspiration for countless teachers, students and parents alike, with the subscriber base leaping from milestone to milestone. Yet, the hallmark of Physics Wallah has always been one thing, providing affordable & reliable educational content for IIT-JEE, NEET and various other competitive exams.

The turning-point of Physics Wallah was the launch of the PW App in 2020 which greatly supported students through the pandemic, with its Live Lectures with India's Top Faculty. In 2021 itself, the PW App had 2.1 million downloads with a 4 Star Plus average rating on Google Play Store. In June 2022, Physics Wallah, the EdTech startup raised \$100MN and became India's 101st Unicorn. With more than 6.5 million students currently, PW aims to support over 25 Million students in the near future with educational content soon to be launched in nine vernacular languages. In 2025, PW's intention is to add over 250 million students.

With new ventures in Upskilling, GATE, UPSC, Commerce, Banking, NExT & more coming up, the idea is to realise Alakh Pandey's mission of making education affordable & reliable for every student in India and helping their dreams become a reality.

Physics Wallah (PW) is India's most viewed educational channel on Youtube.
