About Company –

Bajaj Allianz Life is one of the leading private life insurance companies in India. The Company is a partnership between two powerful and successful entities in their own right – Bajaj FinServ Limited, one of India's most diversified non-banking financial institution and Allianz SE, one of world's leading asset manager and insurer.

Commencing its operations in 2001, Bajaj Allianz Life has in less than two decades expanded its presence across the country. It serves millions of customers through its 524 branches, 70,000+ agents (as on 30 Sept 2020), and comprehensive set of trusted partners and via its online sales channel. The Company's brand promise of Life Goals Done drives it to launch innovative insurance solutions, including the revolutionary RoMC (Return of Mortality Charges), a feature in some of its new-age ULIPs, and thereby becoming the first company to do so. Bajaj Allianz Life has constantly transformed to offer tech-enabled state-of-the-art services to enhance customer delight. The Company continues to engage with customers through several unique platforms and has secured a place in the Guinness Book of World Records with the Bajaj Allianz Life Plankathon 2020-21.
