UTKRISHT 2022

USICT under the joint aegis of GGSIP UNIVERSITY USS ACM Student chapter and IEEE GGSIPU Student chapter are coming up with a (4 to 6 Weeks) internship for the students of the 4th and 6th Semester of USICT. Registration Steps are as follows:

Step 1: Students must fill Summer Application Proposal [<https://bit.ly/utkrishtProposal>] and get it signed by 15 July 2022 after discussing their idea with the respective faculty under whom they want to do the UTKRISHT Internship.

Step 2: Fill out the Registration Form [<https://bit.ly/utkrishtRegistration>] with the scanned copy of the duly signed proposal.

- The internship starts on 20th July 2022.

Phase 1: Announcement of Internship and Registration

The organizing committee will release the detailed schedule of the internship program. Students interested in the program should undergo a two-step registration process. Firstly, they have to fill out the Summer Internship Proposal (<https://bit.ly/utkrishtProposal>), describing their idea and the domain of the project.

The student should contact the respective faculty and get their idea approved. The approved and signed proposal will be submitted to the organizing committee along with digital registration form (<https://bit.ly/utkrishtRegistration>).

On the basis of the responses received, the final shortlisted students' list will be announced.

Phase 2: Research & Development

Upon the announcement of shortlisted students, they can start working with their mentors.

Phase 3: Submission & Evaluation

In the last week of the internship, students will be required to submit a report on the project/research done during the period. Evaluation will be done by the committee of experts constituted by the Dean, USICT.

Key Points:

- Students can participate maximum in a group of 2.
- Each Faculty can take a maximum of 6 students under their mentorship.
- After completion of the Internship, students, who have successfully completed the research/project, will be awarded with a certificate of excellence.

Schedule:

Phase 1:

7th July 2022: List of Faculties Announced & Registration Begins

15th July 2022: The last date to fill the IPF and Registration Form

18th July 2022: Announcement of Shortlisted Students

Phase 2:

20th July 2022: Beginning of Utkrisht

9th September 2022: Completion of Utkrisht.

Phase 3: Evaluation - To be notified by Dean, USICT after completion of Utkrisht
