

F. No. GGSIPU/UIS/2018/ 54

Dated: 13.03.2018

**Development of Single Window Online System in the University**  
**incorporating various Student Activities**

Please refer to the meeting held in the University on 07.03.2018 where it was clarified during the meeting that the purpose of meeting/ interaction with the representatives of University Affiliated Colleges as well as University Schools was to obtain suggestions, view points from them regarding the type of various activities related to students of GGS IP University for the purpose of finalizing scope of work required to be incorporated in the Single Window Online System.

It is seen that some of the colleges are seeking the format from the University for preparing the database of students regarding admission, examination, account branch etc. The necessary format shall be made available only after the initial work of finalizing the type of various activities related to students for incorporation in the Single Window Online System is completed.

It is once again clarified that at present, the purpose of meeting/ interaction is to obtain information, suggestions regarding type of various activities related to students, proposed to be included in the Single Window Online System.

It is also for the information of all concerned that once the decision is taken by the University regarding the scope of Single Window Online System, which will include several type of activities related to students, thereafter, there will be need to link up database to that programme and the final format, as approved, shall be made available to all the concerned.

It is once again requested that the information regarding various types of activities pertaining to students may be provided by 17.03.2018 so as to finalize the scope of the Single Window Online System.
