

University School of Education Guru Gobind Singh Indraprastha University

Presents

EduSparks A digital Magazine

An initiative of University School of Education to provide a platform for polishing the personality of students during pandemic period

"A man is but a product of his thoughts. What he thinks he becomes."

M.K. Gandhi

"None of us knows what might happen even the next minute, yet still we go forward. Because we trust. Because we have faith."

Pablo Coelho

"You can cut all the flowers but you cannot keep spring from coming."

Pablo Neruda

ABOUT

University School of Education, GGSIPU

The University School of Education aims to facilitate studies in all emerging areas of Education such as Educational Management, Planning and Finance, Teacher Education, Educational Technology, Inclusive Education, Distance Education etc. to prepare teacher educators who are well versed with the skills and competencies of effective and efficient teaching skills and research. The school shall foster a climate of life long learning and empower individuals to be torch bearers of social change by transforming the very face of Teacher Education. The school has emerged as a role model with respect to the pedagogical interventions ,innovations in research and creation of enriched teaching -learning environments which ignite minds through challenge and feedback. The school fosters the growth of the individual and the collective through constructing knowledge collaboratively and creating an open environment which nurtures the spirit of progressive Teacher Education.

VISION:

The school aims to empower Teacher educators with knowledge and skills of the 21st century, nurture passion for research and teaching and imbibe the spirit of social inquiry to ensure harmony and prosperity.

MISSION:

University School of Education shall function as a cradle to prepare motivated and dedicated educators, policy planners, administrator and most importantly life long learners who shall function as a catalysts to create and sustain learning which communicates and promote equality and equity in education.

Letter to Readers/ Viewers

Dear Readers,

The University School of Education, GGSIPU, takes the pleasure to present before you its digital magazine- **EduSparks**. The magazine is envisioned to be an exciting arena to engage in various activities, exchange ideas and enhance one's creativity. This initiative has been inaugurated and launched by our honourable Vice Chancellor of GGSIP University, Padam shri Professor (Dr.) Mahesh Verma, on May 16, 2020.

EduSparks showcases not just literary inputs but is a vibrant mix of song, dance, art and numerous other pursuits through a truly multi-media platform. The magazine has the following segments:

- Newsroom (Samvad)
- Activity corner (Expressions)
- Literary segment (Rachana)

We appeal to all faculty members and students of USE and its affiliated colleges to enjoy the thrills of this innovative digital magazine, as well as enthusiastically contribute to it. The following guidelines are to be noted:

- Contributions are welcome in both Hindi and English.
- Please send your original work with a self declaration that it is so.
- Mention your full name, designation, institution
- Videos should be in MP4 format only.
- Audio should be in MP3 format only.

Thanks and appreciation.

Professor Dhanajay Joshi
(Dean and Editor- in- Chief of Edusparks)
University School of Education
GGSIP University, Dwarka

Design & Development of MOOCs and E-Learning Technologies

(For Teacher Educators)

10th May -16th May 2020

About the Organisation

Guru Gobind Singh Indraprastha University (GGSIPU) is a teaching and affiliating University with the explicit objective of facilitating and promoting studies, research and extension work in emerging areas of higher education with focus on professional education and also to achieve excellence in all the fields. "Guru Gobind Singh Indraprastha University shall strive hard to provide a market oriented professional education to the student community of India in general and of Delhi in particular, with a view to serving the cause of higher education as well as to meet the needs of the Indian industries by promoting establishment of colleges and Schools of Studies as Centres of Excellence in emerging areas of education with focus on professional education in disciplines of engineering, technology, medicine, education, pharmacy, nursing, law, etc."

About University School of Education

The University School of Education aims to facilitate studies in all emerging areas of Education to prepare teacher educators who are well versed with the skills and competencies of effective and efficient teaching skills and research. The school shall foster a climate of lifelong learning and empower individuals to be torch bearers of social change by transforming the very face of Teacher Education. The school fosters the growth of the individual and the collective through constructing knowledge collaboratively and creating an open environment which nurtures the spirit of progressive Teacher Education. The school aims to empower Teacher-Educators with knowledge and skills of the 21st century, nurture passion for research and teaching and imbibe the spirit of social inquiry to ensue harmony and prosperity.

About Faculty Development Programme

The aim of this FDP on "Design & Development of MOOCs and E-Learning Technologies" is to create the awareness about MOOCs and various e-learning technologies and train them to design, develop and deliver such courses in their respective domains. Education

कोरोना को हराना है

जब जब हम पर संकट आया, हमने उसका साथ निभाया
जब जब हम पर विविधा आयी, हमने उसको मिलकर मार भगाया
जब छाए थे युद्ध के बादल, हमने भी दुश्मन को खूब छकाया
बासठ पैसठ या इकहतर के रण में, शत्रु को हमने बहुत रुलाया
जान लगा दी थी कार्गिल में, शहीद होकर मातृ भूमि का वीरों ने कर चुकाया
यह संकट भी जाएगा जो कोरोना ने है फैलाया, निश्चित रूप से
यह संकट भी जाएगा जो कोरोना ने है फैलाया
मिलकर करनी होगी हमको तैयारी, आयी है यह विपदा भारी
लाखों लोगों ने है प्राण गवाए, विश्व का हर कोना है थर्राया
विकसित राष्ट्रों ने भी माना, कि नहीं है इसको आसान हराना
लेकिन हम इसको हराएंगे, क्योंकि जब जब हम पर संकट आया
हमने उसका साथ निभाया

Prof. Dhananjay Joshi
Dean, University School of Education
Guru Gobind Singh Indraprastha University

कल किसने देखा है प्यारे
बस आज की बात करो
छोड़ के सारे, मतभेदों को
सिर्फ प्यार को, आत्मसात करो

आओ सारे बैठें, मिलकर
घूमे फिरे और मौज करे
एक दूजे के सुख दुःख मे
शामिल हम सब, रोज रहे

मैं मेरा और मुझे, त्यागकर
हम, हम सबकी बात करेंगे
करो प्रण बस, आज अभी से
जीवन नये ढंग से, निर्वाह करेंगे
संदीप श्याम शर्मा
वित व लेखा विभाग

कल जो हमने साथ जिया था
बस वो ही समय, हमारा था
बाकी सब तो, आपा धापी
बस जीवन यूँ ही गुजारा था

स्वस्थ समाज, तब ही बनता है
जब रिश्ते सभी, निभाते हो
एक दूजे का, आदर हो जहाँ
सम्मान सभी दिखलाते हों

Lockdown Leaflet

Psychologists say, Stockholm syndrome is a condition in which hostages develop a psychological alliance with their captors during captivity. Emotional bonds may be formed, between captor and captives, no matter how irrational it may sound. Similarly, I seem to be forming a bond with this state of lockdown.

Have you ever watched any video in which a bird or animal is taken captive? They flutter their wings, stomp around, almost get crazy in desperation to set free. Then they slowly give in. There is sadness but there is calm. They resign to their new state of being and over time know no other. Once the shock and novelty of the COVID - 19 induced situation sunk in, we tightened our belts to cope as best as we can.

Life settled down in a new pace and a new routine. Every day challenges were met and resolved. Armed with self tutored and newly acquired technical skills, we have ' zoomed ' into our current role of digital netizens.

Confined to our homes, we have unfurled to our inner selves. Closed doors have opened the windows of our minds. We have rediscovered our essence of existence.

I have made friends too. The neighborhood cat comes regularly ; the birds have found a new source of food and drink in the crumbs which I leave for them ; the squirrel gives me enough photo opportunities ; the plants wanted and ' unwanted ' are thriving in my care ; even the seeds which I had sowed have germinated.

My strongest bonding however, seem to have developed with the solitary crow for he has found me with his persistent presence and not I, him. He is like that infatuated lad who hangs around the college gate of his heartthrob. Initially I thought he comes with Rameshwar, our neighborhood cleaner's, cart. Then I

noticed, he comes much before Rameshwar arrives and continues to sit on our gate even after the cart has gone. He sits still, never flying away, even when the gate is left half open. I have in fact started to answer back his intermittent cawing. It might sound a bit farfetched

if I say he keeps looking at me with his twinkling eyes but then :

"hamko ma'aloomb hai jannat ki haqeeqat lekin, dil ke khush rakhne ko, 'Ghalib' yeh khayaal achcha hai"!

As I look around me and look within, taking stalk of the situation - the tests and turmoil and at times the triumphs, I am reminded of the opening line of Charles Dickens' novel, A Tale of Two Cities - " It was the best of times, it was the worst of times, it was the age of wisdom, it was the age of foolishness, it was the epoch of belief, it was the epoch of incredulity, it was the season of Light, it was the season of Darkness, it was the spring of hope...

I hope and pray that we are able to come out of this pandemic wiser and stronger, a better version of our present selves, to a world tempered with compassion and tolerance.

- Sonia Mojumdar

विश्वविद्यालय कुलगीत

लाएंगे हम सच का सवेरा, गुरु कृपा का होगा बसेरा,
विदया की लौ और लगन से, हट जाएगा यह तम धनेरा,
इस धरा से आसमां तक, हम बनाले अपनी जान गरिमा,
अपने श्रम से कौशलों से, हम बढ़ा ले अपनी मान महिमा,
फैल जाए अपनी सुगंध हर दिशा में,
बादलों से ऊंची अपनी उड़ान, हम करेंगे विश्व का कल्याण,
हम इंद्रप्रस्थ की अंजुमन, हम इंद्रप्रस्थ को करते नमन,
पा ले गुरु गोबिंद सिंह की राह जान गंगा गगन,
हट जाएगा यह तम धनेरा, लाएंगे हम सच का सवेरा।।
