

**University Center for Incubation-cum-Technology Commercialization
Guru Gobind Singh Indraprastha University, Delhi**

Date: 14th February, 2020
No.: GGSIPU/UCITC/2020/03

National Research Development Corporation, Government of India, New Delhi has invited application for Seed Funding for Promoting Manufacturing Start-ups. The detail of the advertisement is available at following URL:

<http://nrdcindia.com/assets/vendor/filemanager/userfiles/Tenders/Seed2020.pdf>

Students, Research Scholars and Faculty interested to apply for seed fund through NRDC may send email to undersigned for further support.

Focus Areas

- Fabrication, testing and trial of prototypes.
- Setting-up pilot / demonstration plant including testing and trials
- Industrial product design
- Field trails (including limited market development, except as stand-alone activity)
- In case of pharma products, phase I/II/III trails
- Setting up the first or demonstrator commercial scale manufacturing unit using the innovative technology.

A meeting of interested students, Research Scholars and Faculty members shall be held on 17th February, 2020 (Monday) at 12.30 in room no. EFR-402 to discuss the modalities to submit the proposal to NRDC through UCITC.
