GGs Indraprastha University is committed to provide an interdisciplinary, and professional learning environment to international students with an innovative, professional and value based approach. The university with its best in class infrastructure in academics, research credentials and innovative pedagogical approaches has NAAC 'A' rating. With its Schools, GGSIPU offers the widest range of professional courses in Law, Management, Basic Sciences, Mass Communication, Environment Sciences, Biotechnology, Engineering Architecture, Medical Sciences and such others. The university also has active engagement through MOUs with some of the leading universities in the world.

The cross cultural appreciation and experience is continuously enhanced by way of conferences, seminars, and webinars in collaboration with organisations such as European Union, UNESCO, Embassies and partner universities in India and abroad. Besides academics our continuous endeavour is to enhance the social experience of international students and give them opportunities for interaction beyond university environment.

India with its great cultural diversity will provide the international students an opportunity to experience and explore its rich cultural heritage. We also lay great emphasis on ensuring physical well being of the students by offering best in class domiciliary and health facilities and the testimonials of our alumni bear witness to that.

I have great pleasure in bringing forth this handbook where we have tried to touch all points of the prospective international students and look forward to have many more of the international students design and create their academic journey with us.

## ABOUT DIA
