CIRCULAR

The University is in the process of checking all the network connectivity throughout the university campus. The UITs Network Team will visit all departments / branches to verify the working and non-working Network connectivity. The schedule of visits was on 17/03/2023 to 20/03/2023. Due to corrective maintenance work, network/internet may not work during this period.

Therefore, all Deans / Directors / Branch heads are requested to kindly remove the personal Routers for proper connectivity without any interruption, During this period network connectivity will not be available step by step in the administrative and academic areas.
