Dear Students,

As a fresher, the entire placement is overwhelming and stressful. All companies want to see work experience but how does a fresher gain work experience?

What makes it worse is that Recruiters read a resume for only 7 seconds before rejecting it.

Building a job-winning resume can be overwhelming and time-consuming! But it's very important as a good resume can be the difference between an interview call or rejection.

Join in for a free 90-minute workshop - The Career Mastery and learn

(a) Gain clarity about your career

(b) learn how to get experience even as a fresher and

(c) make a resume that gets you an interview call for every job you apply for.
