About University School of Education

The University School of Education aims to facilitate studies in all emerging areas of Education to prepare teacher educators who are well versed with the skills and competencies of effective and efficient teaching skills and research. The school fosters a climate of lifelong learning and empowers individuals to be the torch bearers of social change by transforming the very face of Teacher Education. The school fosters the growth of the individual and the collective through constructive knowledge collaboratively and creating an open environment which nurtures the spirit of progressive Teacher Education. The school aims to empower Teacher-Educators with knowledge and skills of 21st century,

nurture passion for research and training and imbibe the spirit of social inquiry to ensure harmony and prosperity.

National Education Policy 2020 has the potential to help our country to rediscover its old glory besides providing high-quality educational opportunities to the youth to determine the future of the country. Now, it's time to make good use of all the opportunities and contribute to the success of the NEP 2020 and this entirely depends on how all the stakeholders join hands together.

About the Conference

The new National Education Policy- 2020 (NEP-2020) envisions bringing about significant reforms in higher education to cater to the changing landscape of knowledge and create global standards of education. This requires a deep dive and thorough understanding of the provisions and the approach for effective implementation of the same.

This conference aims at providing a common platform to all the stakeholders in Education- the regulators, managements, faculty members, researchers, students and people from Industry to deliberate on diverse perspectives of the New National Education Policy-2020, understand its role in transforming Higher Education. The purpose of the National Conference is to provide an understanding of the proposed reforms and ease in creation of a roadmap for effective implementation. To ease the achievement of the goal of transforming India into a vibrant knowledge society by making education more comprehensive, flexible, skill based, multidisciplinary and holistic to shape up future ready professionals who are socially responsible and have high moral values.

The National Education Policy 2020 outlines the vision of India's new education system. The policy recognizes and identifies teachers and faculty as the heart of the learning process. The **objectives** of the Conference are:

- *To create awareness on the perspectives of the National Education Policy 2020.*
- *To visualize a unique education system to meet the global standards of education.*
- *To identify and bridge gaps in curriculum and attainment of future learning outcomes.*
- *To discuss the roadmap towards a holistic education.*
- *To aid in materializing the vision of transforming India into a vibrant knowledge society.*
- *To assess the impact National Education Policy on higher education.*
