**Celebration of World Environment Day 2023**

Centre of Excellence in Pharmaceutical Sciences (CEPS) is organizing an online invited talk on the occasion of World Environment Day (WED2023) on 5<sup>th</sup> June 2023 to create awareness on this year's theme which is "Solutions to Plastic Pollution" in an effort to #BeatPlasticPollution. This day has been earmarked as one of the important International Days which the University celebrates (Ref No. GGSIPU/DAA/2023/4703).

The talk would be delivered by Dr. Sumit Sharma, Programme Officer, United Nations Environment Programme (India), on the topic "Beating Plastics Pollution in India" at 11 am on 5<sup>th</sup> June 2023 via Google Meet platform.
