Huawei is looking forward to hire **Graduate Engineer Trainee (Third Party rolls)**

About Company – Founded in 1987, Huawei is a leading global provider of Information and Communications Technology (ICT) infrastructure and smart devices. We are committed to bringing digital to every person, home and organization for a fully connected, intelligent world. Huawei is a Fortune 100 company and has been steadily climbing up the ranking. Our products and solutions have been deployed in over 170 countries, serving more than one third of the world’s population. Huawei has 180,000 employees across globe and we are a private company, wholly owned by its employees.

Through our dedication to customer-centric innovation and strong partnerships, we are committed to creating maximum value for telecom operators, enterprises and consumers by providing competitive solutions and services.

This year Huawei Telecommunications is looking to hire bright and energetic talent on Third Party rolls. Huawei has engaged ManpowerGroup, a Fortune 500 American multinational corporation to work with Huawei and provide Third Party workforce solutions.
