**About Moolchand Healthcare:**

Moolchand Healthcare Pvt. Ltd runs Moolchand Hospital which is one of the oldest and most reputed healthcare chains in NCR. Recently the company has raised funding from venture capital investor Sequoia Capital (Private Equity company with investments in companies like Google, Yahoo etc.) to expand its hospital in Delhi, build more hospitals in the National Capital Region, acquire hospitals across India, and set up fertility, diagnostics and renal-care centres. The group aims to become one of the top 3 healthcare providers in India.

**Transformation agenda at Moolchand:**

Moolchand is currently undergoing digital transformation to better serve our patients and improve their experience. We are looking for enthusiastic and qualified BALLB/BBALLB students to join our team and help us in this transformation journey.

We are seeking students who are passionate about healthcare, possess strong communication skills, have a digital bent of mind, are adept at use of digital systems and are eager to learn and grow in a dynamic and challenging environment. As a part of our team, the students will have the opportunity to work alongside experienced professionals and contribute to the digital transformation of our organisation.
