DESIGNATION – FACULTY

Job Description: At BYJU’S we are looking to bring passionate teachers into the role of faculties at the BYJU’S Learning Centre who are keen on building their careers in developing solutions that will transform the way students learn from early years to professional skills. You will be working in a fast-paced and agile work environment

delivering quality and innovative solutions in highly collaborative environments that have immediate business impact. As a faculty, you will also get to work at new hybrid model where students can visit physical/offline education centers for classes. The skillsets we aim to hone for our faculties will enable them to build a successful hybrid education system at BYJU'S Learning

Preferred Qualification:

Qualification is BTech (all branches of USS)
Target batch – 2022

Desired candidate profile:

A collaborator and a team player.
Strong sense of ownership and accountability.
Organizes and expresses ideas clearly and concisely.
Exhibits strong problem-solving skills.
Passionate about learning, education, and Teaching
Presentable and a Pleasing Personality
Good Communication Skills

Job Location: To be decided after the training period. (Candidates should be willing to relocate)

Compensation: CTC - 360000 LPA

Training period: 8-12 weeks

POST-TRAINING DESIGNATION –

Note: Selected candidates shall be taken as “Trainee - Faculty” on Probation for 3 months. Post successful completion of Probation/Training, the designated role would be “Faculty”

Min Qualifying Criteria:

1. Min 10 & 12th Class Marks: 60% & above
2. Min. BE/BTech CGPA: Min 7 & above throughout without any running backlogs

Process of Evaluation

We can conduct group discussion - technical round - final round to confirm the candidature.
Additional Note – Candidates should have good communication skills (English)
Should be willing to relocate to any location within India post-training.
