**About Company -** At PickMyWork we hire, up-skill, deploy and manage gig workers to get work done on a Pay-per-Task Model. Since our launch in October 2019, we have worked with several large companies and startups and helped them with User Acquisition, Customer Retention & Data Labelling across 25 cities in India. Our expertise is in offline merchant and user acquisition. Owing to covid, there is a massive demand for the pay-per-task model and the company is looking to expand aggressively in the coming months.

The objective of Pick My Work is to create a tech-enabled ecosystem that addresses the needs of discovery, matchmaking, work management, and payments for job seekers & job providers in the gig/part-time/freelance employment market. Such a solution is addressed not just for the graduating students but also to the much larger community of job seekers who are not able to find permanent or full-time employment opportunities.
