# Early Careers at NAB

## Your best begins here

Our customers come from all walks of life and so do we. Build your career with an organisation that celebrates and thrives on the differences in our people. We promote an inclusive culture that supports every employee at every stage of their lives and career. You've studied hard and you're ready to take the next step. We understand that it's not always easy to find your way. Our Early Career Programs provide the opportunities for you to realise your potential and be your best.

## What we look for

At NAB, we have a passion for serving our customers with a curiosity to learn and respect for people, and we do what's right, even when it's hard. We're looking for people who feel the same way – people who look for opportunities to find better and simpler ways of doing things.

Customer needs are changing and the way they engage with us is too. We're looking for people to join us on this transformation. People who have data and digital capabilities, can approach problems with a different perspective, demonstrate agility, and are committed to customer excellence. We're interested in diverse experience, diverse backgrounds, and diverse fields of study. We're not just looking for high academic achievers, we're looking for people with life experience who'd put themselves in our customer's shoes and are passionate about building a career at NAB.

We also look at:

- Extracurricular involvement
- Previous leadership experience
- Work experience (paid or unpaid)
- A general understanding of NAB and the financial/banking industry

## Graduate Program Basics

The NAB Graduate Program commences in January 2024. You'll complete a 45-60 day induction program introducing you to all aspects of life at one of Australia's largest and most successful financial institutions.

From day one, you'll play an integral role in delivering for our customers and contributing to NAB's business priorities.

**As part of the graduate program, we'll provide:**

- doing real and meaningful work aligned to business goals,
- learning and development opportunities aligned to business-critical skills for the future of work,
- access to NAB's Career Qualified in Banking, accreditation and leadership program,
- ongoing coaching and mentoring,
- learning from great people leaders,
- opportunities to take ownership of, or get involved in enterprise-wide projects, initiatives, and resource groups,
- exposure to senior leaders,
- networking events to help you build your profile and organisational connections,
- opportunities to create a positive social impact via community and customer engagement projects, and
- a strong graduate community.

We are committed to helping you be your best. Upon successful completion of the program, you'll be supported to find a role to fast-track your career in your chosen field.
