### **DISSERTATION GUIDELINES**

The dissertation of the LLM students shall be under guidance of Supervisors allotted to them. The students are required to keep in touch with their supervisors and meet them, at least once in a week, as per the convenience of the Supervisor and the student concerned to give updates as to their progress. The students are required to prepare **three** hard bound copies of the dissertation — two copies must be submitted in the office. One copy should remain with the respective students, which they must bring with themselves at the time of viva. The students will be required to submit synopsis of the dissertation and one rough draft and the final draft of the dissertation, which should be prepared strictly in consultation with the supervisor. This is the final work of LLM students in the USLLS. Please ensure strict adherence to the research ethics and maintain the highest standards of academic research in your work, which will remain against your name always. The dissertation should be original and free from plagiarism. The University reserves the right to reject the dissertation and initiate appropriate action if the dissertation is found plagiarized.
