We wish to repeat the same for the Academic Session 2011-12 as well. However, your co-operation is required to make it a grand success this year as well.

It has been decided that in order to maintain parity of design, only a single page is offered to each institute.

We shall need your co-operation in the following areas:

1. Kindly provide, a write up of single page and maximum two colour photographs only. Write up will be in word format and scanned colour photographs in xxx.jpeg format and both the information should be provided in CD only. It would be appreciated, if hard copy of text and colour photographs are also sent along with the soft copy.
2. The final size of the magazine will be 210×297 mm.
3. The information should only be related to the courses offered by the University and should be factually correct in all respects as on date.
4. Also enclose a Demand Draft in favour of the Registrar, GGSIPU payable at Delhi for Rs. 10,000/-
5. **The above material along with Demand Draft should reach in Academic Branch by 10th December, 2010.**
6. Information or material in parts will both be accepted.
7. For any query/clarification regarding above, please feel free to call the Jt. Registrar, Academic Branch during the working days between 10:00 a.m. to 5:00 p.m.

If we do not receive complete information(s) by due date, it will be assumed that you are not interested in carrying the information in the Admission Brochure. The closing date will not be extended under any circumstances.

Thanking you once again for your co-operation.

Yours Sincerely
