Dr. Nimisha Sharma
Associate Professor

Date: 17th December, 2015

Advertisement for the post of Junior Research Fellow (JRF)

Applications are invited for the position of one **Junior Research Fellow (JRF)** to work in an interdisciplinary, collaborative research project entitled “**Engineering Zinc Oxide-Graphene Oxide Nanocomposites for Antibacterial Applications by Swift Heavy Ion Irradiation**”, funded by Inter University Accelerator Centre (IUAC).

The project is for a term of three years, i.e. 2015-2018. **Interested candidates must email their complete CVs to nimisha@ipu.ac.in by 15th January, 2016, and attend a walk-in interview on 20th January, 2016 between 10.00 am to 1.00 pm** in Room number AFR 205 in University School of Biotechnology, Guru Gobind Singh Indraprastha University, New Delhi.

Essential Qualification: M.Sc. (Physics/Applied Physics/Materials Science) with minimum 55% marks. (Note: NET qualified candidates will be preferred).

Fellowship for JRF: Rs. 14,000/- p.m. for candidates without NET and
Rs. 16,000/- p.m. for NET qualified candidates.

The candidate would be required to carry out experiments at IUAC, New Delhi and Guru Gobind Singh Indraprastha University, New Delhi. The candidate would be encouraged to work for his/ her Ph.D.

Candidates must bring original certificates/supporting documents and their photocopy. No TA/DA will be provided for appearing in the interview.

S/d
Dr. Nimisha Sharma
Principal Investigator
