4.   **Standardization of Academic Schemes and Syllabi to Streamline Examination Processes and Ensure Uniformity Across Programmes:**

It was apprised that the Examination Division frequently faces challenges arising from modifications in the academic schemes made by various Schools of Studies. Such changes — often communicated without a standardized format or adequate lead time — lead to confusion in paper setting, discrepancies in course codes and credit structures, and errors in the preparation of date sheets and result processing. The absence of a uniform approach disrupts the examination schedule, compromises the accuracy of academic records.

The Academic Council resolved to constitute a committee to draft a comprehensive policy for developing a standardized format of Scheme and syllabus and to ensure uniformity.

The Council further resolved to maintain uniformity in the scheme and syllabus across all the UG/ PG programme(s) being run in the University School of Studies (USS) as well as Affiliated Institutions (unless a specific evaluation scheme is provided for the Courses governed by the Statutory Bodies).

It was also resolved that that the scheme & detailed syllabus of all the semester/ year of the programme should be placed before the Academic Council for approval/ ratification instead of placing the same on a piecemeal basis.
