ORDER

In continuation to order of even number order dated 26.10.2016 vide which Brig. P.K. Upmanyu, Joint Registrar was assigned the responsibilities / duties to develop the University Information System, in this context, it is informed that there is need to develop the information system in the University. The University in brief can aim for developing the information System for the students and later extending to the Faculty and staff of the University. The following shall be the course of action:

1. The information system in the initial phase may be developed for the student lifecycle beginning with the student admission to student pass out.
2. The information system shall have the reporting functionality for various reporting purposes. Which shall have the capability to build the report dynamically to suit the needs of report required in real time apart from the predefined reports.
3. The information may also provide for integration of database(s) of Admission, Exam. and Accounts Branch in order to simplify the process relating to detention of student, not reported students, late fees, readmission etc. whereby one enrollment number linked to various aspects of student can be accessed through one common interface having different access permission by different departments concerned.
4. The information system should aim at developing an interface for the students facilitation for issues like fees deposit through online method, online clearance of security deposit, and any other student activity than can be brought under this system.
5. In the Second phase of the Information System development the faculty and staff of University shall be brought into the Information System structure dealing with various aspects of faculty and staff be dealt through Information System.

This issues with the approval of Competent Authority

(Ajay-Kumar)
