

**Walk-In Interview on 11 Jan 2017 for
Project positions in plant functional genomics**
School of Biotechnology, Guru Gobind Singh Indraprastha University
Dwarka, New Delhi – 110078

Applications are invited from Indian citizens for the following temporary project positions

1. DBT Project: “Newton-Bhabha Virtual Centre on Nitrogen Efficiency of Whole Cropping Systems for Improved Performance and Resilience in Agriculture” : 1 Junior Research Fellow
2. CSIR project “Genomewide Role of G-protein Signaling in *Arabidopsis* GCR1-GPA1 Double Mutant” 1 Junior Research Fellow (JRF)

The background information regarding the work of the PI is available at the website: <http://ipu.ac.in/usbt/Dean.php>. The lab and the NAAC A-grade University provide a challenging environment. Hostel admission is possible subject to availability and university rules. Interested candidates may attend the walk-in interview on 11 Jan 2017 at 10.00 AM in room No. A-205 of the School of Biotechnology at their own expense. The initial appointment shall be for a period of 1 year, extendible on yearly basis by the PI till June 2019 or the end of the project.

Post	Emoluments (Rs.)	Eligibility*	Specialisation	Experience
JRF*	25000 pm + HRA	Masters degree (fulltime) with consistently good academic record and preferably NET JRF/LS of UGC/CSIR/DBT/ICMR	Functional genomics, bioinformatics, plant molecular biology, agricultural genetics science background preferred	Research experience in relevant areas of molecular biology is desirable.

*Only those holding degrees from UGC-recognized government Universities/institutions may apply
