DONATION DRIVE

The Nilgiri Hostel (GH-II) plans to organise a Donation Drive. There is a feeling among the hostel residents that the orphaned children are devoid of basic necessities of life and residents wish to carry out a donation drive for orphanage.

For this purpose GH-II plans to organise **a donation drive from April 28th – May 2nd, 2015 a five day plan** by setting up donation boxes in various places in University. The boxes would be placed in front of all the blocks, hostel, residential & staff quarter in which everyone from University can donate. Contributors may include clothes, toys, books, notebooks, pen, pencils & stationary, etc. After the conclusion of the donation drive the hostel council (GH-II) would personally visit NGO and donate the articles with Warden.
