

M. Tech. in Engineering Physics is a specialized novel postgraduate programme designed to bridge the gap between physics, engineering and technology. The programme trains students for both the professional job market and exciting basic and interdisciplinary research careers in science. Many of students are currently placed in attractive positions in industry and top research institutes of the country and abroad.

Eligibility

B. E./B. Tech. (Electronics/Computer Science/Electrical/Engineering Physics/IT/IC) or equivalent

Or

Post graduation in Physics/Applied physics/Electronics/Mathematics or equivalent with minimum of 55% marks in aggregate in the qualifying degree. The applicant must have studied Physics at the undergraduate level.

GATE qualified candidates will be given first preference. Non-GATE students will be selected on the basis of merit list based on CET rank. All GATE qualified students admitted will get a scholarship* of Rs. 8000/- per month. *subject to approval of AICTE

CET Exam is mandatory for all Non GATE Candidates
