GGSIPIU/DRC/Circular/2009-10/01

Dated 30<sup>th</sup> October 2009

## CIRCULAR

### Subject : University - Recognized Supervisors – Updation Process

As per Clause 8(b) of Amended Ordinance 12: Governing Programmes leading to degree of Doctor of Philosophy which reads “(i) **Any regular teacher of the University or a recognized teacher working in an affiliated college of the University who holds a Ph.D. degree and has a teaching/research experience of not less than 3 years (after obtaining Ph.D.) shall be eligible to be a supervisor or a joint supervisor. The teacher has to have established track record of research work with minimum of 08 published research articles in referred national/ international journals and is continuously involved in demonstrated research activities/ consultancy assignments / technological advancement / carries to his /her credit registered patents.**”

The names of recognized supervisors of various faculties will be made available on the University website under Research. It has been decided to update the list of recognized supervisors including certain other important details. This will help prospective research scholars to identify the supervisor for their registration to Ph.D. programme in the University, along with for other Universities both within the country and abroad to identify our faculty members for evaluation of Ph.D., other academic work and R & D purpose.

Hence, I request that this circular along with attached Form (Data Base of Recognised Ph.D. Supervisors) may be circulated to the faculty members of USS, affiliated Colleges and recognised research centres for providing the relevant details. Your kind cooperation and support in the process of updation of the data base of recognized supervisors of G.G.S.Indraprastha University is solicited. While providing the details, care may be taken to give full and correct details. This will help to promote R & D activities of the University.

I shall be grateful if the Deans/Heads arrange to send the consolidated details both in the form of a Hard copy and a Soft copy. . The information should reach to the Director Research & Consultancy by 20<sup>th</sup> November 2009.
