

GURU GOBIND SINGH INDRAPRASTHA UNIVERSITY

NEW DELHI

F. No. GGSIPU/SS/2026-27/272/1305

Dated: 07st October, 2026

Minutes of Meeting

Sub: Survey of Student Safety and Security in and around of the University Regarding

Pursuant to the directions received from the Directorate of Training and Technical Education (DTTE), GNCTD, dated 29.09.2026, the Competent Authority of the University constituted a Committee comprising the following Officers/Officials to conduct a survey regarding the safety and security of students in and around the University premises and to submit its report on priority:

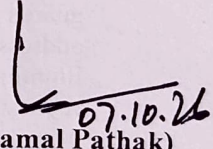

- | | | |
|---|---|-------------|
| 1. Chief Warden (Boys Hostel) | — | Chairperson |
| 2. Associate Director, Student Welfare | — | Member |
| 3. Warden (Girls Hostel – Satpura) | — | Member |
| 4. Deputy Registrar (Security & Sanitation) | — | Member |
| 5. Executive Engineer (Civil), UWD | — | Member |
| 6. Executive Engineer (Electrical), UWD | — | Member |
| 7. Section Officer (Security & Sanitation) | — | Member |
| 8. Assistant Security Officer (Security & Sanitation) | — | Member |
| 9. In-charge, Police Post, I.P. University, Dwarka | — | Member |

The Committee conducted a round/survey of the University premises and its surrounding areas on 30.09.2026 and 01.10.2026. Thereafter, a meeting of the Committee was also held on 01.10.2026 to deliberate upon the observations made during the survey and to identify measures required for strengthening the safety and security of students.

After detailed discussion, the Committee suggested the following measures:

1. During the visit outside the University campus, it was observed that the DDA Park area near Petrol Pump and Plantation area on the southern boundary wall of the University is secluded and not adequately illuminated during night hours. Further, adequate security arrangements/security guards were not found available in the area. The Committee suggested that a letter may be addressed to the DDA requesting them to take appropriate necessary action for ensuring proper illumination and security arrangements in the area and DCP, South-West Distt., Dwarka may be requested to arrange police patrolling in the said area.
2. The stretch of street/road on the eastern side of the University remains dark at night. The concerned DDA authorities for street light may be requested for adequate lighting arrangements on both side of Gate No. 2 of the University stretching of around 2 kilometers in each side.
3. The area outside Gate No. 04 was also observed to be secluded and unattended. The Committee suggested that necessary adequate deployment of Security Guard at Gate No. 4 may be done with the approval from Competent Authority where the team may also do patrolling of area outside Gate No. 04, particularly during evening and night. Moreover, the DDA may be requested to install High Mast Lights in the area for proper illumination and DCP, South-West Distt., Dwarka may be requested to arrange police patrolling in the said area.
4. No major dark spots were observed inside the University premises during the visit. However, the Committee requested the UWD to ensure periodic maintenance of the existing lighting arrangements and to provide sufficient illumination along the entire boundary wall of the University.

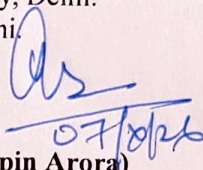

5. The Committee suggested that the UWD may examine the feasibility and install High Mast Lights at all appropriate corner/vulnerable areas within the University premises and specially area overlooking DDA Plantation area o the southern boundary of the University to ensure adequate illumination and enhance visibility during night hours.
6. The Committee observed that access to the rooftops of the Hostels and Academics Blocks (A,B,C,D, E & Pharmacy) needs to be regulated in the interest of student safety. It was suggested that gates with proper locking arrangements may be provided at the rooftop access points. Further, a dedicated team of 02 Security Guards along with a Security Supervisor may be deployed for regular patrolling and securing the identified areas.
7. During the inspection, it was observed that a substantial number of CCTV cameras with University premises and Hostels were not functioning properly. The UWD was requested to take necessary action for repair/restoration of all faulty CCTV cameras on priority. It was also suggested that a qualified outsourced engineer/technical person may be deployed regularly in the CCTV Monitoring Room to ensure continuous monitoring, recording and prompt rectification of technical faults.
8. The Committee noted that the presence of stray dogs remains a major safety concern within the University premises. It was informed that multiple requests have already been made to the MCD for taking necessary action in accordance with the applicable directions of the Hon'ble Supreme Court; however, necessary action is still awaited from the MCD. The matter may therefore be pursued with the concerned authority on priority.
9. The Committee suggested that a comprehensive safety audit of all University Hostels may be carried out by the UWD to identify any civil, electrical, structural hygiene or other safety-related deficiencies and to take necessary remedial measures on priority.
10. The Committee emphasized that the above measures may be implemented on priority basis in order to strengthen the overall safety and security arrangements for students in and around the University premises.
11. The Committee suggested Directorate of Students Welfare, Chief Warden (Boys), Chief Warden (Girls) and Coordinator, NSS may issue Advisory for the same for awareness and wide publicity among all the students, faculty, staff and visitors.
12. The Committee also suggested Directorate of Students Welfare may conduct Women Self Defense Training / workshop with the help of Delhi Police from time to time.
13. The concerned Branches/Officers may take necessary action on the above recommendations and submit an Action Taken Report (ATR) to the Security & Sanitation Branch for compilation and further submission to the Competent Authority/DTTE, GNCTD, as required.
