For the University, the safety and security of students is paramount, therefore, the following advisory & essential safety guidelines, campus security measures, and preventive protocols to ensure a safe, secure, and supportive environment for all students across university premises and surrounding areas are being informed for all the students of the GGSIPU for appropriate compliance in their own safety.

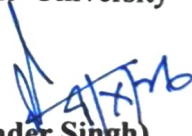

- Always carry and prominently display your valid University Student ID card while on campus. Present your ID to security personnel upon request at entry gates, libraries, labs, and residential complexes.
- Avoid unauthorized entry into restricted campus zones, administrative blocks after working hours, or service areas.
- Avoid visiting surrounding forest & isolated/dark areas outside the campus.
- Exercise heightened awareness when walking off-campus, particularly during late evening or early morning hours. Whenever possible, travel with peers along well-lit primary roadways.
- Stick to designated campus walkways and avoid shortcut paths through unlit perimeter areas, dense foliage, or isolated alleyways surrounding the campus.
- Use registered, verified public transport or trusted ride-hailing services when commuting to and from campus. Share your live location with family or trusted friends during late-night commutes.
