Subject: CII Webinar on Multi tasking Healthcare skills

Join us for an online session titled “**Multitasking Healthcare Skills**”, scheduled for **14 October 2026, from 3:00 PM to 4:00 PM**. This is a free session being organised by CII Skills, SAANS Foundation and SSB Hospitals.

The session aims to introduce students to the diverse opportunities within the healthcare sector and help them understand how practical, multidisciplinary skills can open doors to different healthcare roles. Through expert insights and an interactive discussion, students will learn about healthcare as a profession, the importance of a multiskilled workforce, and how their individual strengths and interests can align with various career pathways.

We would be grateful for your support in encouraging students to participate and sharing this invitation with the relevant departments, faculty members and student groups. We hope this session will inspire students to explore new possibilities, broaden their career perspectives and take an informed first step towards opportunities in healthcare.
