Sub: Tata Imagination Challenge

Some ideas begin as a classroom discussion. Some come from a question that won't leave your mind.

Tata Imagination Challenge 2026 is inviting undergraduate and postgraduate students across any stream or campus in India, giving them a space to bring an idea, shape it across five rounds with the final round culminating in an in-person pitch to the Tata leaders

What's in it for the shortlisted finalists:

- A fully sponsored two-day experience in Mumbai, along with exclusive Tata brand goodies
- Visits to Bombay House, Taj Palace and the Tata Experience Centre
- Interactions with Tata leaders, TAS Managers and fellow finalists
- Participation certificate

What's in it for the Top 10 winners:

- ₹2 lakh in cash prizes
- Tata Trails: An all-expenses-paid immersion at an iconic Tata location
- Opportunities to explore careers with the Tata Group

How to participate?

Students can register online and begin with Round 1: the Tata Quiz — a test of their Tata knowledge, critical thinking, quant and general smarts.

We'd be grateful for your support in sharing this opportunity with your students, so they can take part in this platform and take a real step towards building a career with Tata.

Registrations are now open-
