Movie-Making Competition

Filmmaking competition

Date: October 2024

Venue: USAR

Event report

The Movie-Making Competition was conducted to encourage students to explore filmmaking and audiovisual storytelling. The event provided a platform for participants to bring their ideas to life through short films, combining creativity, scripting, direction, cinematography, editing, and sound design.

Participants demonstrated their ability to develop narratives, communicate messages, and present stories through the medium of film. The competition encouraged teamwork and helped students explore various aspects of the filmmaking process, from conceptualisation and production to post-production.

The event highlighted the creative potential of students and promoted filmmaking as a collaborative art form that combines storytelling with technical and artistic skills.
