EDITION 002 | APRIL 2024

Padma Shri Prof. Dr. Mahesh Verma
Hon'ble Vice Chancellor
Guru Gobind Singh Indraprastha University
Delhi

From the Desk of the Registrar

Greetings to all the members of our East Delhi Campus community. Our talented students and faculty members have worked tirelessly to bring you insightful articles, success stories, and updates on campus events in this magazine "Nettedbytes". The dynamic interconnection among the fields of design and innovation, automation and robotics, and architecture and planning has created a synergy, which fills me up with enthusiasm for the creativity, innovation and execution , that is being cultivated here . This magazine aptly portrays the cohesive relationship among these three schools within the campus.

As the Registrar, I commend the efforts of our faculty and student contributors who have made this newsletter possible. It reflects the vibrant spirit of our EDC community and showcases the incredible work happening within the campus.

Prof. Dr. Kamal Pathak
Registrar, GGSIP University

From the Desk of the Director-Incharge

It is with great pleasure that I introduce this edition of the EDC Newsletter. As we reflect on the journey that has led to this moment, it is evident that our students have not just excelled, but they have soared beyond expectations setting new standards of excellence in every endeavour they take.

This publication stands as a beacon illuminating the academic and co-curricular activities within our campus. Congratulations to all the students and faculty members whose dedication and hard work have brought this to fruition. Your contributions have captured the essence of our vibrant campus life. Together, we celebrate the spirit of harmony that defines our East Campus community.

Prof. P.C Sharma
DIRECTOR INCHARGE

From the Desk of the Dean

With great excitement, I announce the release of the second edition of our newsletter magazine 'NettedBytes'. This edition stands as a testament to the diverse set of events, the remarkable achievements of our students, and the enduring camaraderie that defines GGSIPU community. In these pages, you'll find memories captured, moments celebrated and milestones accomplished in our journey.

I want to express my utmost appreciation and admiration to all the students for their hard work, resilience, and commitment to excellence. Your achievements not only reflect your talents but also represent our collective strength.

I extend my heartfelt wishes to all those who contributed to this endeavor. Your hard work and creativity have truly made this edition a masterpiece.

Prof. Arvinder Kaur
DEAN USDI/USAR

TECHNICAL CLUBS

Software Development Cell (SDC)

Software Development Cell is a club of USAR, where students with a spark to learn and grow as developers can join and acquire knowledge on different technologies by working on real-life projects run in the university.
This Club is under the mentorship of Dr. Rahul Johari.

The members of the club wish to learn the different technologies that are being used in the tech industry and share the knowledge with fellow developers in the university.

MISSION: The members of the club wish to learn the different technologies that are being used in the tech industry and share the knowledge with fellow developers in the university.

OFFICE BEARERS :

Lead- Ayush Goyal
Vice Lead- Priyanshu singh
Techlead- Aman Sharma
Treasurer- Ayush Gupta
Developer relations- Shubh Sardana

Institution's Innovation Council (IIC)

IIC encourages, inspires, and nurtures young students by supporting them to work with new ideas and transform them into prototypes while they are informative years.
This Club is under the mentorship of Ms. Kriti Batra.

Functions of IIC:

To conduct various innovation and entrepreneurship-related activities prescribed by Central in time bound fashion.
Identify and reward innovations and share success stories.
Organize periodic workshops/ seminars/ interactions with entrepreneurs, investors, and professionals and create a mentor pool for student innovators.

USS IEEE CHAPTER

The Institute of Electrical and Electronics Engineers (IEEE) is a non-profit professional organization that provides resources and tools for engineers in various industries and technologies. The IEEE's mission is to advance technology and innovation for the benefit of humanity.

The IEEE was formed in 1963 when the American Institute of Electrical Engineers (AIEE) and the Institute of Radio Engineers (IRE) merged. The IEEE is headquartered in New York and holds more than 300 conferences annually.

TREASURER- Mayank Dash

Directorate of Students' Welfare (DSW)

Some of the important activities carried out by DSW that the students must be aware about are:
1) Provides financial assistance through various financial schemes and scholarships to the students belonging to Economically weaker sections of the society (EWS) and meritorious students.
2) Provides Financial Assistance for conducting Fresher's / Farewell to the students of University Schools.
3) Organises Specialised Coaching such as provides Training facilities under the guidance of experienced coaches for major sports events like Football, Volleyball, Badminton, Kabaddi, Tug-of War, Cricket, Track and Field, Yoga, Music and Dance etc.
4) Responsible for organising the Annual Cultural Fest Anugoonj and Annual Inter Collegiate Sports Meet every year.
5) The Srijan- Indraprastha society for creative expressions, runs under the aegis of the DSW. There are 12 clubs under the banner of Srijan covering almost every area of human endeavour like Dance, Drama, Music, Photography, Literature etc . These Srijan Clubs, provides a platform to students to explore, and showcase their skills through various events, activities, and webinars. Students can enroll themselves as per their area of interest and should actively participate in the events organised by various clubs.

Do You Know?
There are more than 20 societies currently active in GGSIPU EDC

USAR (APRIL'23-MAR'24)

EDC Inauguration Ceremony

The inauguration of the 'East Delhi Campus of GGSIPU' on 8th June, 2023 marks a historic milestone for our university community. We were thrilled to witness this momentous occasion as it signifies a new chapter in our journey towards academic excellence and societal impact. The presence of dignitaries including Sh. Vinaikumar Saxena, Hon'ble Lt. Governor of Delhi and Chancellor of GGSIPU; Sh. Arvind Kejriwal, Hon'ble Chief Minister of Delhi; Ms. Atishi Marlena, Hon'ble Education Minister of Delhi; and Sh. Ram Niwas Goel, Hon'ble Speaker, among others, added immense significance to the occasion. Together, we embark on a journey filled with promise, enthusiasm, and dedication to realizing our university's vision of shaping future leaders and contributing positively to society.

CARVAAN Fest

The ACM Club at the University School of Automation and Robotics, along with IISC Bangalore, hosted CARVAAN, a captivating cultural event on 10th June, 2023. CARVAAN brought together students, artists, and professionals in a celebration of creativity, technology, and innovation. From captivating dance performances in Lasya to enchanting melodies in Crescendo, and thought-provoking street plays in Footprints, to the artistic showcase in Alekhya, the event showcased a diverse array of talent and creativity.

Independence Day Celebration

Amidst the fluttering tricolor and the echo of patriotic fervor, we marked the 77th Independence Day with immense pride and joy. The day unfolded with a flag hoisting ceremony led by Prof. P.C. Sharma, our Director-In-Charge, and Prof Arvinder Kaur reminding us of the sacrifices that have woven the fabric of our nation's history.

The soaring notes of our national anthem stirred our souls, reaffirming our commitment to a united and prosperous India. The celebration continued with an explosion of creativity and talent as our students took the stage. The dance performance painted a vivid canvas of our cultural diversity, while the music ensemble created a symphony that resonated with our collective dreams.

Orientation Program '23

USAR hosted an orientation for newly admitted B.Tech. and B. Des. students on 11th and 13th of September 2023. The program included discussions on the significance of academic discipline and the value of open communication between students and parents. Dr. Rahul Johari highlighted resources for extracurricular activities and internship opportunities, emphasizing the institution's state-of-the-art facilities, clubs, and labs.Prof. Ajay Singh Singholi discussed the importance of discipline and responsibility, while Dr. Kriti Batra expressed gratitude to various individuals for their contributions to the program's success.

National Service Scheme (NSS) Orientation

The NSS orientation session, led by Prof Varun Joshi and supported by Dr. Nanki Nath, Dr. Subhash Nimanpure, and Dr. Ashish Joshi, proved to be an inspiring experience for all attendees. Aimed at fostering reverence for our nation's legacy and dedication to its future, the event commenced with a profound reflection on the Bharatiya ethos.

The session shed light on the invaluable resources and perspectives offered by NCC and NSS, highlighting their transformative potential in fostering unity and opportunity across the nation.

IPU Health Mela ‘23

The Health Mela, celebrating Silver Jubilee Year, was a resounding success. From October 5th to 10th, 2023, Talkatora Indoor Stadium, New Delhi buzzed with activity as distinguished medical practitioners provided free medical examinations and consultations in various disciplines. The event's highlight was the emphasis on holistic health, featuring complimentary sessions in yoga, nutrition, mental health, and lifestyle management.

AZINTEK '23

Azintek'23, orchestrated by the IoSC team, illuminated theCampus on October 12th and 13th, 2023. From the riveting ML MANIA showcasing the exceptional prowess of students in machine learning to the Treasure Hunt testing participants' wit and collaborative skills, Azintek'23 offered a diverse range of engaging events. Bytebrawl Clash, CodeWrangler Challenge, and the Hackmaze Competition provided platforms for coding enthusiasts, while the Survivor's Saga BGMI Tournament and DesignBlitz captivated audiences. Azintek'23 also hosted a dynamic hackathon called HackMAZE, where participants could conceive, design, and develop innovative projects over 48 hours. Enlightening speaker sessions further enriched the event. Session 1 was a Women Empowerment session held by Ms. Pratibha. Session 2 offered insights into Amazon AWS, led by Mr. Shivam Tyagi. Session 3 delved into Microsoft technologies, led by Mr. Sarthak Jain and Mr. Dibyanshu.

IIC visit to India Mobile Congress

The Institution Innovation Council of Guru Gobind Singh Indraprastha University, East Delhi Campus orchestrated a proactive visit for approximately 50 students and faculty members to the prestigious India Mobile Congress. This prominent event, inaugurated by Prime Minister Narendra Modi, provided a comprehensive platform for insights, technological advancements, and networking in Telecom, Media, and Technology (TMT). This initiative aligns with the council's vision of empowering budding technocrats and nurturing a spirit of entrepreneurship and technological leadership. The experience promised a lasting impact, igniting passion for innovation and technology among the participants, contributing to the nation's technological renaissance.

Tree Plantation Drive

The Nature’s Club of GGSIPU EDC organised ‘Tree Plantation Drive’ in the University campus.The event commenced with the meticulous planting of diverse saplings, strategically chosen for their environmental impact. Emphasis was placed on ensuring proper watering methods to facilitate optimal growth.What set this drive apart was the remarkable turnout; over 100 attendees actively engaged in the hands-on initiative. Participants displayed commendable enthusiasm, with many bringing their own saplings, reflecting a deepened commitment to ecological responsibility.In addition to the tangible impact on the environment, the drive fostered a sense of community among participants.

Donation Drive

PERCEPTIONS, the publication club organized GGSIPU EDC’s first-ever Donation Drive in collaboration with the NGO Asha Bhawan on the campus from December 6th to 7th 2023. The members united for spreading warmth and kindness in the spirit of giving. Heartwarming moments were shared as our team worked tirelessly to collect, organize, and contribute to Asha Bhawan. All the collected items were passed on to Asha Bhawan on the 7th of December, handed over by our honorable dean Prof. Arvinder Kaur.

Cyber Security Workshop

The ACM and ACM-Women workshop on "Cyber Security: Importance And Prospects" featured distinguished speakers Ms. Nidhi Bansal and Ms. Rajni Bagga. Ms. Nidhi demystified cybersecurity, stressing its daily relevance, dispelling AI replacement myths, and addressing major threats. She shared practical strategies and insights into the field. Ms Rajini Bagga delved into cybersecurity's role in the automotive sector. The workshop left attendees inspired to navigate the dynamic digital landscape with confidence.

NSS Clean and Green Drive

The Clean and Green Drive by the NSS Unit - USAR on December 9, 2023, commenced with enthusiasm.the event aimed to instill a sense of responsibility and environmental consciousness among students. Participants actively engaged in clean-up activities, addressing immediate issues like litter and pollution. Led by NSS Unit Head Abhishek Garg, Disha Verma, Diya Tyagi, Prawag Prajapati, and guided by teacher coordinators Prof. Ashish Joshi, Dr. Subhash Nimanpure, Dr. Nanki Nath.

NSS Blood Donation Drive

The NSS blood donation drive and march on December 14, 2023, were highly successful, with an impactful awareness talk in the morning emphasizing blood donation's significance. A campus-wide march followed, boosting awareness. About 80 students generously donated blood, showcasing community strength and leaving a lasting positive impact.

'How to Crack Interview' Session by Shri Bhupesh Chaudhary

Renowned IAS officer, Shri Bhupesh Chaudhary, graced our college with an enlightening speaker session on "How to Crack Interviews." The event, attended by numerous students, faculty, and staff members, proved to be a valuable guide for job seekers. His insights were both intricate and engaging, providing essential tips on interview preparation and conduct. As our college continues to foster holistic development, such sessions contribute significantly to empowering our students for success in their professional endeavors.

Republic Day Celebration

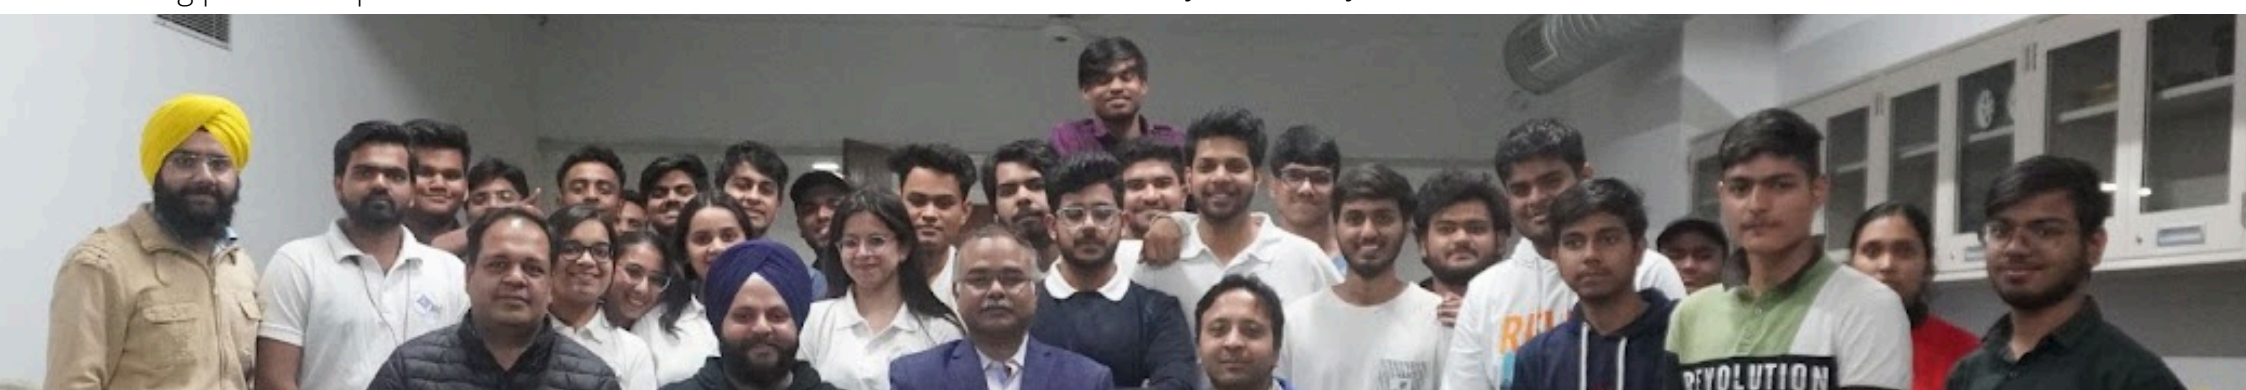

Marking the 75th Republic Day occasion, the academic and non-academic staff of the East Delhi Campus of Guru Gobind Singh Indraprastha University celebrated it collectively, contributing to the vibrant spirit of the day. The atmosphere fostered a sense of unity and pride as we joined hands to honor the ideals and principles that form the bedrock of our democratic nation.

Cyber Hackathon

On 17th February 2024, Cyber Hackathon was organized by Cyber Police Station, Shahdara District, in collaboration with University School of Automation and Robotics at GGSIPU East Campus. Coordinated by the Software Development Cell, USAR, it was a successful event showcasing innovative solutions by students in Cybersecurity.

Speaker Session on ‘Empowering Youth for Industry 4.0 in Amrit Kaal’

The University School of Automation and Robotics hosted a speaker session titled "Embracing Industry 4.0 for Youth Empowerment" on February 27, 2024. The event aimed to educate students about Industry 4.0, emphasizing automation, data exchange, and IoT. Mr. Virendra Singh, a former Sr. Dy General Manager at Electronics Corporation of India Ltd., delivered an insightful presentation, highlighting the transformative potential of Industry 4.0. He stressed the importance of embracing these advancements for relevance in today's dynamic landscape. The session concluded with a call to action, urging attendees to seize the opportunities presented by Industry 4.0 for personal and professional growth.

Essay Writing Competition - Viksit Bharat

The essay competition on "Ideal Knowledge, Skills, and Values for a Viksit Bharat" by the University School of Automation & Robotics, GGSIPU EDC, saw enthusiastic student participation. Guided by Prof. Arvinder Kaur and Dr. Rahul Johari, students presented innovative solutions to India's developmental challenges. The esteemed jury acknowledged outstanding contributions, underscoring students' role in nation-building and the need to turn ideas into action.

Smart India Hackathon Winner

MahaDevs from GGSIPU East Campus achieved triumph at Smart India Hackathon 2023, excelling in addressing the SIH1500 problem statement, "Smart Education for Specially Abled Students," by the Government of Jharkhand. The groundbreaking project, "Saksham," marks a revolutionary leap in the education of differently-abled individuals. The team consisted of Taniska Jha, Shubh Sardana, Chaitanya Rai, Aditya Singh, Ayush Gupta and Vansh Goel from USAR.

This victory underscores the team's technical prowess and unwavering dedication to tackling societal challenges through pioneering solutions. "Saksham" represents a significant advancement, showcasing the commitment to fostering inclusive education. This success not only highlights expertise in innovative technology but also affirms our mission to make a positive impact on society through transformative and accessible educational solutions.

National Science Day

Science Day was celebrated with great enthusiasm and fervor at University School of Automation and Robotics. The event aimed to promote scientific thinking innovation, and exploration among students, faculty, and guests. Distinguished speakers and various engaging activities were organized to commemorate the occasion.Dr. Mukesh Jewariya, a senior scientist from NPL delivered an enlightening keynote on "Tetrahertz - Future Prospects of Technology." Ms. Rashmi Lohani explored "Tech for Change," emphasizing technology's role in sustainable development and communication. Engaging activities included ACM's "Escape the Room," GDSC's thrilling treasure hunt, and the Literary Club's intellectual platform, "Samvaad." Music Club Rivayat's "Battleverse" showcased musical talents in an electrifying showdown. These events fostered a spirit of exploration and collaboration among students, faculty, and guests.

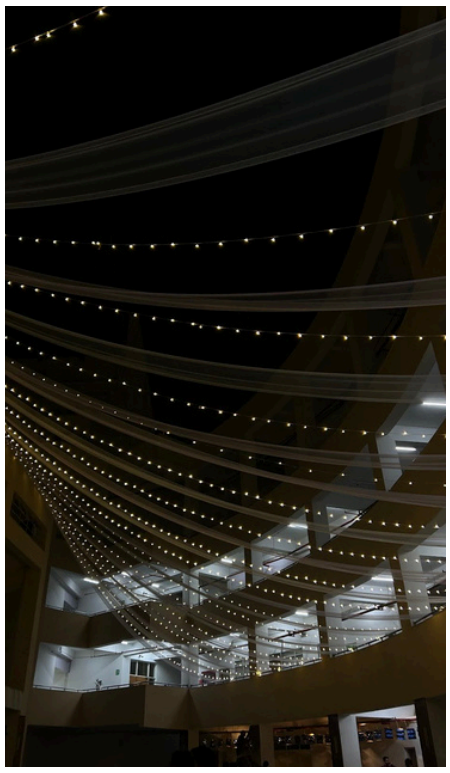

USAP (APRIL'23-MAR'24)

MIHIMA '23

From setup to showtime, through sweat, struggles, last minute market runs, disagreements, lots of fun and endless dedication, our Diwali Fest dream became a reality. On the auspicious occasion of Diwali we reflect on our achievements, express gratitude for our blessings, and renew our commitment to excellence. Together, we have accomplished great things, and together, we will continue to reach new heights.
As we celebrated Diwali, let us also remember to spread joy and kindness to those around us. We embraced diversity and unity, which led to the light of Diwali shine bright in our hearts and in our work.

Rajat Sir's Farewell

Signing off with style and leaving a legacy of creativity behind. Cheers to retirement, the best Professor!
Rajat Sir have been the architect of inspiration, constructing not only buildings but also shaping the minds of aspiring architects. His dedication of fostering creativity, critical thinking, and a passion for architecture has left an indelible mark on each student fortunate enough to pass through his classrooms.
As we reflect on the memories forged during countless studio sessions, late-night discussions, and design critiques, we can't help but feel a sense of pride and admiration for you. Sir you have been the backbone of the architectural journey of many students.
Thank you for being the cornerstone of our architectural education.

Photowalk at Humayun's Tomb

A photowalk was organised for the first year students at Humayun's tomb that provided an excellent opportunity for camaraderie and collaboration among all participants and also helped them learn the important facts about the Indian history and significance of this historical monument.
The exchange of ideas, sharing of techniques, and encouragement of each other's work fostered a supportive and inclusive atmosphere, which is essential for growth and learning.
Experiences like these are invaluable for personal and professional development. They allow us to hone our craft, broaden our horizons, and form meaningful connections with others who share our interests and passions.

66th Zonal NASA Convention, Zone 1

Students of USAP participated in the 66th year of ZNC held at Poornima University in Rajasthan from October 22 to October 24, which acts as a pathway for interactive activity performances between students and brings creative minds to work together. Students attended
many workshops and masterclasses , touching on different areas like cultural walk and photography, architectural animation, blue pottery, bamboo workshop,like 3D modelling and software etc .Apart from all this students also participated in D-15 trophy and performed very well. It was a great experience and exposure for the students.

USAP (APRIL'23-MAR'24)

Study Tour

The students of Studio-2B, had the greatest opportunity to visit Lucknow from 5th March-10th March 2024, as a part of their study tour for the fourth semester.Lucknow is of great cultural and historical importance with buildings having one of the most varied style of architecture, including the persian, muslim and Indian styles being the most prevalent. It was a great tour for the students, so as to get a better understanding of Lucknow's culture. We had the opportunity to visit some of the prominent buildings including The General post office, La Martiniere College, The Residency and the Bada Imambara, to name a few.
The students displayed their work and experiences of Lucknow, in an Exhibition on 2nd April '24, Tuesday.

Startup Workshop

This startup workshop for building environmental stimulation for architects and designers focused on bifocal approach in understanding building simulation and assessment and empowered students with the Knowledge & skills for professional startups in the domain of Architecture & Planning. It involved using various tools and techniques to model, assess and analyze building design performance by using different software's and tools.

USDI (APRIL'23-MAR'24)

The Design Talk Series by Palette Perspective Committee

The Palette Perspective Committee at USDI, GGSIPU, guided by 2nd-year B.Des students Mehak Chopra (Industrial Design), Ananya Aggarwal (Interior Design), and Pragya Anand (Interaction Design), alongside the mentorship of Prof. Mohd. Bilal Abid and Assistant Prof. Nanki Nath, has successfully organized The Design Talk Series, inviting industry-experienced speakers to engage with students. Through workshops and interactive sessions, we provide valuable insights and networking opportunities, enhancing the professional development of our design students.

The Palette Perspective Committee at USDI, GGSIPU hosted three insightful sessions as part of The Design Talk Series, featuring distinguished speakers from the design industry.

1. Gaurav Juyal, former host of Indian Art Attack, discussed the importance of utility apps and the alignment between business strategy and user experience.
2. Abhishek Dubey, Senior UX Consultant from IIT Delhi, highlighted the link between business goals and user behavior, emphasizing the impact of business value and ROI on design.
3. Ashutosh Vashishtha, a designer at Microsoft and winner of Taiwan Design Award and Paris Design Award 2023, shared his journey as an industrial designer, focusing on design perception in industry versus academia and the transition to UI/UX design.

These sessions provided valuable insights for students, covering a range of topics from practical application to career exploration in the design field.

Sariska Trip '23

Guru Gobind Singh Indraprastha University students embarked on a photography expedition to Sariska, Rajasthan, from December 14-15, capturing the Geminid meteor shower and natural wonders. Professors Nikhlesh Sharma and Bindoo Ranjan mentored the students, who honed their skills and expressed gratitude for the invaluable experience. The excursion aimed to foster learning and appreciation of biodiversity, symbolizing unity and support within the university community.
