Subject: Report on Interior Workshop

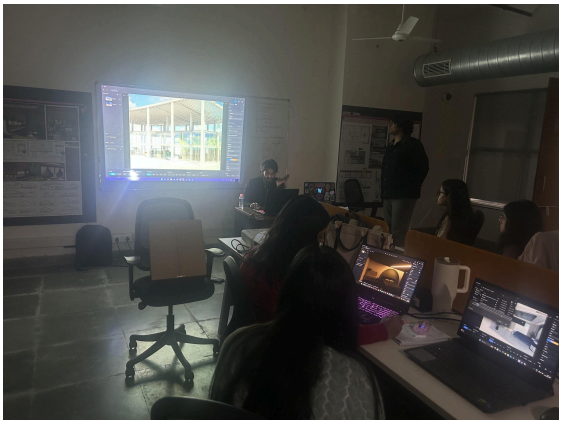

Name of the Event/Activity:	ADVANCED INTERIOR MODELLING AND RENDERING		
Dates	17.11 2025 (Monday), 19.11.2025 (Wednesday)	**No. of Participation**	42
Faculty Coordinators	Ar. Deekshali Anand Ar. Shubhangi Saxena		
Brief Description of the Activity:	To acquaint the students with current methods of 3D Modelling and rendering, a Two Day Hands-on Workshop was conducted for third and Fourth year students of Bachelor of Interior Design and Master of Interior Design. Outcome of the workshop was Enhancement of skills in computational interior modelling and rendering and Exposure to industrial practises and standards of designing

Subject: Report on Interior Hands On Workshop, 2025

Name of the Event/Activity:	**3D SURFACE MODULATION IN INTERIOR**		
Dates	14.10.2025-16.10.2025 (Wednesday to Friday)	**No. of Participation**	36
Faculty Coordinators	Ar. Deekshali Anand Ar. Shubhangi Saxena		
Brief Description of the Activity:	To acquaint the students with practical knowledge of materials, wall finishes and modern methods of wall construction, a **2 day hands-on workshop was conducted in collaboration with "Design Style Studio"** for second, third and Fourth year students of Bachelor of Interior design and Master of interior Design This workshop aimed to bridge the gap between theoretical knowledge and industry practices, offering students valuable on-site exposure under expert guidance. 3-D Surface panels and technique of hand modulations are a growing trend in interior design. These panels provide both aesthetic appeal and functional benefits.This workshop provided On-site practical training in collaboration with an industry partner, providing real-world exposure for students. Two artistic wall compositions consisting of 4 Panels were made and displayed at the Vice Secretariat of East Delhi Campus. **Studio: Design Style Studio** **Expert: Ar. Aman Katoch** The 3D Surface Modulation Workshop was a highly successful academic and practical initiative that provided students with an in depth understanding of contemporary surface design techniques used in interior architecture. Through a well-structured three-day program, participants were able to seamlessly integrate theoretical knowledge with hands-on application, gaining direct exposure to materials such as Plaster of Paris,		

	wooden boards, and modern fabrication methods including CNC cutting. The step-by-step progression from material introduction to final installation allowed students to clearly understand the complete workflow involved in designing and executing three-dimensional surfaces.
Ar. Deekshali Anand	Ar. Shubhangi Saxena

WALL FINISHING WORKSHOP

INTERIOR DESIGN

"TEXTURE" is an exclusive hands-on workshop focused on Plaster of Paris (POP) wall finishing techniques.

EVENT HIGHLIGHTS

- Live Demonstration of POP Wall Finishes
- Learning Surface Preparation & Layering
- Exploring Decorative Textures & Finishing Techniques
- Guidance from Faculty & Expert Instructors

CONDUCTED BY:
Design stylio architects and interiors

AR. AMAN KATOCH

AR. KANIKA SINGH

DATE	VENUE	TIME
15–16 OCT 2025	**ROOM NO. 402 4TH FLOOR B BLOCK, USDI**	**10:00AM ONWARDS**

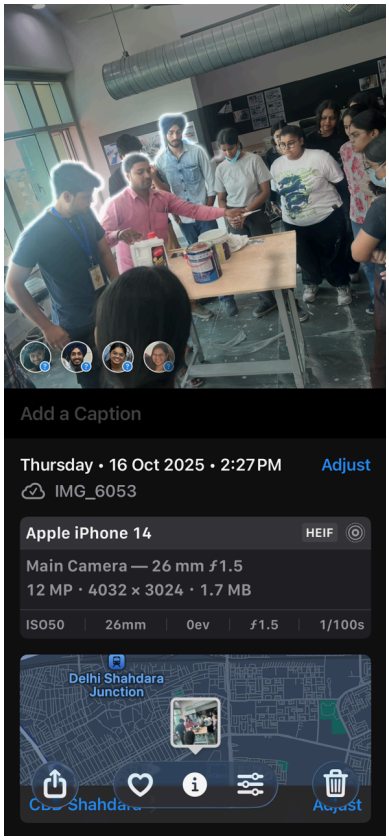

Dean- Dr. Arvinder Kaur
Synesthesia Coordinator- Prof. Bindoo Ranjan
Faculty Coordinators- Ar. Deekshali Anand | Ar. Shubhangi Saxena
